## FEBRUARY'S ECO TIP: Plan this year's holidays, with creation in mind.

At this time of year, our thoughts can often turn to the hope of warmer weather and planning a summer holiday. Visiting new places and seeing God's creation is a great way to be refreshed and rested. Yet how we travel and where we stay, can either be positive or negative for the very environment we care about. Go to the A Rocha site for more information. <https://arocha.org.uk/easy-eco-tips-2025-calendar/>
